The “Two For” is the year – it’s also the largest British Car Show in North America combined with a trip to the TRials in Watkins Glen – it’s also a euphemism in Canada for a case of beer.

The Motoring TRials 2024

Corning NY Sept 18 -22, 2024

The 2024 TRials are a little different this year. There is a traveling part for the several days before the traditional TRials begin in Corning NY. It begins on September 15th with the largest British Car show in North America- British Car Days (BCD) in Bronte Creek, Canada, just west of Toronto. You then travel to the Niagara Falls area and through Buffalo NY continuing on to arrive in Corning NY. As such you will see 2 registration forms for both parts of this years TRials. Please fill out and send in BOTH parts even if you can not attend the entire week of activities. But if you can it will be a very memorable time in your Triumph!

The Corning NY portion of the TRials will begin this year on Wednesday, Sept 18th At the Radisson Corning Hotel. We have arranged for a reduced hotel fee for Wednesday and a special rate for the balance of the week for the event. There are plenty of eating facilities within walking distance of the hotel to relax and get a bite after a long day of driving.

The main event this year is driving the Watkins Glen International Race Couse. We have arranged on Friday for pace laps on the track for an extra fee on your registration. That will start after a drivers meeting at 5:30. Following our laps we will gather at the Seneca Lodge for dinner, Bring your two dollar bills! And then head back to the hotel (30 min drive) when ready. In addition to driving the track, there will be many more activities for you to enjoy including a welcome reception, tech sessions, many tours and attractions such as the Glenn Curtise Aviation museum in Bath NY, the Finger Lakes Boat Museum, which is located in an old winery storage cellar, a Gorges tour to Taughannock Falls, a drive on the original F1 Watkins Glen 1948 vintage race circuit and the Corning Museum of Glass which is within walking distance of the hotel including an amazing gift shop and a glass blowing show. If you are interested in Racing history, you can visit the International Motor Racing Research Center. For those not aware, the Finger Lakes region of western New York is known for it's wine country. Many premium white wines are grown in the region, such as, Dr. Konstantin Frank Winery, Bully Hill, Hermann J. Wiemer Vineyard, Glenora Wine Cellars just to name a few.

The 6-PACK car show will be on Market Steet in the Gaffer district of Corning, walking distance from hotel. We are limited to 80 cars, so a signup will be required. We will be part of the Fall Festival in Downtown Corning with 4 blocks of activities on Market Street. And as always we will conclude the TRials with our banquet dinner Saturday evening with awards and shenanigans, and finally learning where next year will be! This is going to be an incredible TRials so you do not want to miss this one folks! Register Today!
